NOTIFICATION.

Political and Services Department.

Bombay Castle, April 1943.

Factories Act, 1934.

No.6733/34.-The following draft of a notification which it is proposed to issue under section 19 and 32 of the Factories Act,1934 (XXV of 1934), is published as required by section 79 of the said Act, for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into the consideration by the Government of Bombay three months after the date of its publication in the Bombay Government Gazette.

2. Any objections or suggestions which may be received by the Commissioner of Labour (Factory Department), Secretariat, Fort, Bombay, from any person with respect to the said draft within the said period will be considered by the Government of Bombay.

Draft Notification.

No. In Exercise of the powers conferred by section 19 and 32 of the Factories Act,1934 (XXV of 1934), the Government of Bombay is pleased to amend the Bombay Factories Rules 1935, as follows namely:-

For rules 31 and 32 of the said Rules, the following shall be substituted, namely:-

"31. Sources of supply of drinking water and storage thereof. (1) In every factory there shall be provided and maintained at suitable places easily accessible to all workers, a sufficient supply of water fit for drinking at the rate of at least one gallon per worker. The water so provided and maintained shall be supplied.

(a) from taps connected with any public water supply

or

(b) from any other source, approved in writing by the Assistant Director of Public Health or the Health officer of the Municipality who is equipped with such facilities

for.....

for testing water, as the Inspector by an order in writing may

(2) The water provided and maintained under sub-rule (1) if not laid on shall be kept in suitable vessels and shall be renewed at least daily. All practicable steps shall be taken to preserve the water and vessels free from contamination and to keep the vessels clean.

(3)(a) Drinking water shall not be supplied from any open well or reservoir unless it is so situated and protected as not to be liable to pollution by organic matter or other impurities.

(b) where drinking water is supplied from such well or reservoir arrangements shall be made to sterilize the water in it once a week or if so required by the Inspector, oftener, unless separate arrangements are made to filter and treat the water before it is supplied for consumption.

32. Manager to obtain report on water at intervals. The Inspector may by order in writing direct the Manager to obtain a report, at such time or at such intervals as he may direct, either from the Assistant Director of Public Health or the health officer of the Municipality who is equipped with the necessary facilities for testing the water, to ascertain whether the water supplied to the workers is fit for drinking or not. The Inspector may if he thinks fit also take a sample of the water himself and direct the Manager to obtain a report thereon. The Manager shall obey the Inspector's direction and in every case submit a copy of the report to the Inspector

By order of the Governor of Bombay

Secretary to Government.
